

Posts That Require Vetting Checks

Vetting Checks (more commonly known as Criminal Record Bureau 'CRB' Checks) are now processed by a third party company 'TMG CRB' on behalf of ECB.

Please note that this list has been developed as guidance for clubs but for certain posts club welfare officers will need to assess the role of individuals within the club before making a decision on whether or not to require a vetting check. These applications must be accompanied by a covering letter explaining the club's decision.
